

AIDA

12th Annual International Dermatology and Aesthetics Congress

September 4-6, 2026
Conrad Abu Dhabi Etihad Towers, UAE

Managed By:

www.aida-congress.com

WELCOME MESSAGE

12th Annual International Dermatology
and Aesthetics Congress

On behalf of the Organizing and Scientific Committees, it is our great pleasure to invite you to the 12th Annual International Dermatology and Aesthetics (AIDA) Congress, taking place on September 4-6, 2026 in Conrad Abu Dhabi Etihad Towers, UAE.

Over the past decade, AIDA has grown into the region's premier platform for advancing dermatology and aesthetics as vital pillars of modern healthcare. Fueled by innovation, research, and collaboration, this dynamic field demands continuous dialogue and exchange. Each year, AIDA brings together leading experts from across the globe to share knowledge, inspire new approaches, and shape the future of dermatology and aesthetic medicine in the UAE, the Middle East, and beyond.

For 2026, our Scientific Committee has designed a comprehensive three-day program featuring renowned national and international speakers. The agenda will deliver evidence-based updates and cutting-edge insights, tackling key challenges, emerging trends, and debated topics in dermatologic surgery, aesthetic dermatology, anti-aging therapies, and laser technologies—all aimed at elevating patient outcomes and clinical practice.

In addition to the scientific sessions, AIDA offers a diverse range of interactive activities, including hands-on workshops, meet-the-expert forums, IMCAS Alert discussions, keynote presentations, live demonstrations, case studies, poster competitions, and opportunities for abstract submission. Each activity is tailored to enrich learning, encourage collaboration, and support the professional growth of participants.

We are confident that the 12th AIDA Congress will provide an exceptional educational experience while fostering valuable networking opportunities and partnerships. Together, let us continue to drive innovation, advance patient care, and set new benchmarks in dermatology and aesthetics.

We look forward to welcoming you to Abu Dhabi for this prestigious gathering, where knowledge, collaboration, and excellence converge.

Dr. Ahmed Salem Al Dhaheri
Conference President
Consultant and Head of Dermatology,
Cleveland Clinic, Abu Dhabi, UAE

Prof. Khaled Othman Shaaban
